

Bad Boys for Life: Directed by Adil El Arbi, Bilal Fallah. With Will Smith, Martin Lawrence, Vanessa Hudgens, Alexander Ludwig. After the failed 'Hancock' 'Bad Boys' were simply obliged to please the audience, but they did it not just 'not so hot', namely 'not very'. The plot here is perhaps the most banal and predictable. Yes, he is not the worst, but not so much better than most. There is everything here: chase, gunfights, friendship, and even humor, but there is really little of it, and even Will Smith, who, as always, got the role of a bad guy, does not save him.
